COLLEGE

Election 2022

Geography (A5)

Tuesday 3rd May 1105-1235

Leave this question paper behind at the end of the exam

Time allowed: 90 minutes

This paper consists of six questions in two sections:

- Section A (essays)
- Section B (data response).

Answer **TWO** questions from Section A and **ALL** of Section B. You should aim to spend no more than 30 minutes on each answer. Credit will be given for relevant sketch maps and diagrams illustrating your answers.

All questions carry equal marks.

Please start each question on a new sheet of paper.

SECTION A
QUESTIONS 1-5

Answer *two* questions from this section.

1. How has the pandemic changed urban places?
2. Direct action (i.e. Just Stop Oil) is now merited in the face of the climate emergency. Discuss.
3. How important are biological processes in determining the shape of the land?
4. Should 'rewilding' of the UK be driven by the state, wealthy individuals or local communities?
5. Coastal erosion is a natural process and attempts to modify it should be abandoned. Discuss.

Each question is worth 20 marks

SECTION B

This question *must* be answered.

QUESTION 6

The College is surrounded by walls on most sides, usually in excess of 8 ft high. What role do these walls play in the College's identity? Consider a range of perspectives in your answer.
